

## OCEAN FUN DAYS IS A GREAT EVENT FOR SCOUTS! COME, ENJOY AND GET A FREE PATCH

Scouts at all levels are invited to *OCEAN FUN DAYS* for a fun and educational day with family, friends and fellow troop members. Plus, each Scout will receive the full-color, embroidered *OCEAN FUN DAYS* patch shown here just by stopping by the NJ Natural Gas exhibit.

*OCEAN FUN DAYS* will be held on May 22 at Island Beach State Park and on May 23 on Sandy Hook at the headquarters of the NJ Marine Sciences Consortium/NJ Sea Grant. Both sites will be open from 11am to 3pm. Admission is free to all.

At *OCEAN FUN DAYS* you'll learn all about our coastal environment at dozens of interactive displays, free "hands-on" eco-tours, mini-classes and other fun activities. Meet a marine biologist, visit a touch tank filled with local marine creatures, learn how to fish, make a seashore craft and much more, all at *OCEAN FUN DAYS!* Best of all, many of our *OCEAN FUN DAYS* activities are likely to apply towards your badge requirements. Scouts and scout leaders should consult their manuals for specific information regarding badge requirements.

**ATTENTION SCOUT LEADERS!** If you plan to attend Ocean Fun Days with a troop of ten or more (including chaperones) it may be possible to reserve space for the eco-tours we offer throughout the day. To begin the pre-registration process, email [rhiggins@njmsc.org](mailto:rhiggins@njmsc.org) or call 732-872-1300, ext. 19 and be sure to tell us how to contact you, how many people you will be bringing and which day you plan to attend.

*OCEAN FUN DAYS* is an annual event sponsored by NJ Natural Gas in partnership with the NJ Marine Sciences Consortium/NJ Sea Grant, NJ Department of Transportation, Office of Maritime Resources and NJ Department of Environmental Protection, Division of Parks and Forestry.
