

ATTENTION CUSTOMERS

BEFORE FUELING

- Turn OFF Engine & Electronics
- Send Passengers Ashore
- Use a Vent Attachment to Capture Spills
- Know How Much Fuel You Need

DURING FUELING

- Keep an Eye on the Pump
- Check Your Gauge
- Listen to the Nozzle
- Stop Before You Overfill

Any spill or discharge that creates a sheen must be reported to the Coast Guard National Response Center at 800-424-8802.

AFTER FUELING

- Never Use Soap for Spills
- Use Absorbent Pads
- Operate Your Blower
