HALLOW-MARINE Offers a Spirited Look at Sandy Hook

(Sandy Hook, NJ).... The New Jersey Marine Sciences Consortium/New Jersey Sea Grant Program (NJMSC/NJSG) will wrap up its 2008 fall F.I.S.H. (Families Investigate Science Hands-On) season with the frighteningly popular HALLOW-MARINE on October 25th with 45 minute haunted marsh tours from 5 to 8 pm. HALLOW-MARINE offers families and youth groups a spine-chilling adventure filled with creepy sea creatures, pirates, and long lost ghosts of the coast.

Experience the eerie side of Sandy Hook during this ghoulishly-fun, guided tour featuring true facts, tall tales, myths, mystery and more. Explore the marsh at twilight where wet, wild and weird discoveries will be uncovered. The program geared for children aged 5 and up is ghoulishly fun for the whole family. All children must be accompanied by an adult. This special F.I.S.H. program is \$13.00 per person. Due to tremendous popularity, HALLOW-MARINE, now in its seventh year, is always a sell-out and reservations are required. For information and a printable registration form visit njmsc.org and click on K-12 Education/News and Events.

NJMSC/NJSG is an affiliation of colleges, universities and other groups dedicated to advancing knowledge and stewardship of New Jersey's marine and coastal environment. NJMSC/NJSG meets its mission through its innovative research, education and outreach programs. For more information about NJMSC/NJSG visit njmsc.org.
